YACHTTY all for yachts S.C. (hereinafter, YACHTTY) offers the following information regarding the use of Cookies on its online platform.

- **What are Cookies?**

Cookies are small files that websites send to the browser and which are stored on the User's terminal, which might be a personal computer, a mobile phone, a tablet, or any other device. They play an essential part in providing numerous IT services. Among other functions, they allow a website to store and recover information regarding a User's browsing habits or their equipment and, depending on the information obtained, can be used to recognize the User and improve the service offered.

- **Why do we use Cookies?**

YACHTTY uses Cookies that are essential for the User to be able to browse freely and more easily on the YACHTTY website. These Cookies are used to improve User service, measuring website use and performance and to optimize and personalize the experience.

YACHTTY also uses Cookies with other purposes, such as:

- Understand the behavior of the website Users and analyze the information for statistical purposes.
- Improve security and avoid fraudulent activities.
- Increase the speed of the web page.
- Store the language preferences and cities from which the Users access the Platform.
- Improve the User experience on the website.

Cookies offer the Users the possibility to take advantage of many of the essential functionalities of YACHTTY.

The website may contain links to other websites. YACHTTY can't control the Cookies used by these external sites. For further information on the Cookies on these websites, YACHTTY advises Users to consult their Cookies Policies.

- **Accepting the Cookies Policy**

By using this website, YACHTTY assumes that the User consents and agrees that YACHTTY hosts Cookies on the User computer or device for the purposes expressed herein. At each login to a new browser, the User may choose one of the following options:

- Keep browsing: the cookies banner will not be displayed again when accessing any page of the website during the session and it will be assumed that the User accepts the present Cookies Policy.

- Close the Cookies banner: the banner will be hidden on the page where the User is located and, in case the User continues browsing, it will be assumed that the User accepts the present Cookies Policy.

- Modify the configuration: Users will be able to modify the configuration of their browser and in case they would like to acquire more information about Cookies they can consult the present Cookies Policy.
